

I listen to the radio station K-LOVE. It is the only station in my community that provides a wholesome Christian message for me and my family. Unlike all other stations, K-Love is always mindful of its younger audience and contains no material, lyrics or otherwise, that I feel are morally objectionable.

If K-Love were displaced by an LPFM broadcaster I fear I would have no station to

listen to. The service provided by K-Love is in the public interest. It promotes

love of others, selfless service to others, and high moral standards so lacking in

all broadcasting on both radio and TV. It's music is uplifting and positive.

It is

critical for our young people to have such a station that promotes healthy relationships, and respect and love for others. Please do not allow K-Love to be

displaced. Thank you.
